

Hello There, Welcome to David's Web Portfolio

This is my web development II final, web portfolio. I do things, scroll down to see some of my work.

Small Showcase

Be Cool Travis

A bunch of text, that Travis should do, with a glitched effect.

Eddie's Shipping

A company logo for a Dungeons and Dragans campaign I'm working on.

Sword In A Rock

A sword in a rock, I don't know what else to say.

LONG ART, CYBERAXE & CRAYON TITAN

Be Cool Travis

A bunch of text, that Travis should do, with a glitched effect.

Eddie's Shipping

A company logo for a Dungeons and Dragans campaign I'm working on.

The Smiling Jack Inn

A company logo for a Dungeons and Dragans campaign I'm working on.

Sword In A Rock

A sword in a rock, I don't know what else to say.
